

Thirty days and thirty nights Ashley Jones has been sitting in Sebastian Cruz's office. For hours. Behind the imposing wooden doors sits the man who stole her family's island home. And she wants it back. But the fight is knocked from her when Ashley recognises him as a man she knows intimately – the man who betrayed her after their blissful night together. Sebastian has no intention of giving the island back, but he does want Ashley. He agrees to her deal, but has a few sub-clauses of his own. Specifically: a month at his beck and call – and in his bed! 'Fabulous characters and a story full of drama...perfect!' – Megan, Recruitment, Enfield www.susannacarr.com
