

The one who got away...and came back What was he doing back here, disrupting Brianna McKenzies cozy world? Sebastian Hunter, heartbreaker extraordinaire, had actually shown up to their high school reunion. All at once, she felt that unshakable chemistry again, the life that might have been if hed stayed in Bedford. Broken promises and regret. Why would she even consider getting involved with him again? If it werent for his mothers suspicious encouragement, Sebastian would never have attended the school function. But then he saw Brianna, the woman hed blocked from his thoughts for years as he threw himself into his work. The past—those feelings he never quite forgot—came rushing back. This was his chance...to walk away again or face the person whod captivated him, body and soul.
