

[Siren LoveEdge ManLove: Erotic Alternative Romantic Suspense, M/M, with M/M/M, HEA for M/M] His name was Jack. It wasn't a famous name or an adventurous name, or even a poetic name. But to Mason Philips, it was the most beautiful name in the world, because it belonged to Jack Spencer, the man Mason had been dreaming about for the last ten years. For Mason, it had been ten years of secret yearnings, stolen glances, and forbidden fantasies because Mason was gay...and Jack was not. Jack Spencer wanted Mason since the young man barreled into the pool and showed Jack he had grown up when Jack's eyes were turned. But a warning from Mason's brother sends Jack running, putting as much distance between them as he can. When Mason decides he's tired of waiting for Jack to see him, he packs up and readies to move on with his life. Well-meaning friends drag them together with a pair of skimpy black swimming trunks, a pool party, and a lot of jealousy. But nothing comes easy for these two. A psychotic killer has set his sights on Mason and is determined to have him, no matter who he has to take out in the process.
