

A duty to the past... After fifteen years in self-imposed exile, haunted rebel prince Xander Drakos must walk back through the palace gates and assume the role he once abandoned. Only one woman can restore his good name – the woman he left behind. But when Xander finds Layna Xenakos he's horrified to see the effects of the turmoil he left behind written in the scars across her body. But her scars have given her strength, and Layna refuses to bow to his royal command. Now Xander must use his practised charm to convince her to become his bride, securing his legitimate place on the throne. 'Such excitement and adventure!
