

Mail Order Bride: The Boston Widow & The Colorado Rancher She Might Not Marry - A widow who lost her child travels to Colorado from Boston to be the wife of a sour and angry man who has a four-year-old daughter. Things do not look good and from their first meeting the woman wonders if she will stay or leave, as rumors swirl around about the man's former wife and how she died. Only the kindness of a ranch hand and the man's little daughter keep her from fleeing, until something happens that makes up her mind permanently. Note: This is an emotional story with brief episodes of suggested violence, one short one, and these are a necessary part of the suspenseful plot. Mail Order Bride: The Boston Bride & Her Texas Cowboy & His Black Sheep Twin Brother - A woman corresponds with a man then decides to become his mail order bride but he shows up at her mother's dress shop while she's out. Although it's very sudden they get married and at first, do not like each other at all. He drags her off to Colorado to look for his lost twin brother, then after that, they plan to return to his ranch in Texas. Before they can settle down, however, the brother's past misdeeds have to be dealt with.
