

Book 4 - Fighting For Love When a twister rips through Carson Hill Ranch and demolishes almost everything in sight, the family has a long road ahead of them as they try to pick up the pieces and put them back together. As brothers Anders and Joseph rush in to save the women they love, the end result tears apart the Carson family in ways that no one saw coming. Book 5 - Wishing For Love Seamus Carson has practically grown up with Gracie and has always seen her as the kid sister that fate denied him. Will Seamus and Gracie admit their feelings for each other, or will they continue to deny themselves until the day it almost tears the family apart? Book 6: Dying For Love Crystal Stapleton has everything a princess could want: ski vacations, a suite to herself in her parents mansion, even her own Prince Charming. Too bad there's a mean streak lurking under the surface of her fiancé, one that her parents refuse to see. With her father's prodding to marry a well-connected and wealthy man and her mother's constant ugly domineering attitude, Crystal is prepared to do as she's told, regardless of how unhappy her future will be. But a chance two week stay at Carson Hill Ranch brings her not only a new found sense of freedom and joy, it also brings her face to face with the decidedly good looking and very unattached Jacob Carson. The more time she spends in Jacob's presence, the less certain she is about the future her parents have laid out for her. Will she accept the freedom a cowboy like Jacob can offer? Or will she do what she's expected to do, no matter how much it hurts her heart?
