A kindergarten teacher, Hollie was raised to be a lady by her southern mother who passed away when Hollie was young. After a speedy remarriage by her father and more losses than she can count, Hollie is left alone in the world with only three cold, abusive stepbrothers who, along with their lowlife friend Freddy, are constantly into trouble of the worst kind and with Hollie as an easy mark. When John McBride, a police lieutenant, saves Hollie from a nasty fall, she thinks perhaps her prince has finally come in the guise of a man she’s always wanted to get to know but was too shy. John has seen too many cop marriages fail. He’s married to his job and doesn’t have room or the desire to be tied down. Until Hollie. As a cop he’s learned to trust his gut instinct. Perhaps he should have trusted it when told him to approach her long ago. Is he ready for the forever he sees in her eyes? When Hollie is framed for a murder she did not commit and the key to proving her innocence seems impossible to find, will John be able to locate the shady character who committed the crime before Hollie is put behind bars? Is their love strong enough to withstand such a hardship to find their happy ending?
