

A New York Review Books Original Victor Serge is one of the great men of the 20th century—and one of its great writers too. He was an anarchist, an agitator, a revolutionary, an exile, a historian of his times, as well as a brilliant novelist, and in *Memoirs of a Revolutionary* he devotes all his passion and genius to describing this extraordinary—and exemplary—career. Serge tells of his upbringing among exiles and conspirators, of his involvement with the notorious Bonnot Gang and his years in prison, of his role in the Russian Revolution, and of the Revolution's collapse into despotism and terror. Expelled from the Soviet Union, Serge went to Paris, where he evaded the KGB and the Nazis before fleeing to Mexico. *Memoirs of a Revolutionary* recounts a thrilling life on the front lines of history and includes vivid portraits not only of Trotsky, Lenin, and Stalin but of countless other figures who struggled to remake the world. Peter Sedgwick's fine translation of *Memoirs of a Revolutionary* was abridged when first published in 1963. This is the first edition in English to present the entirety of Serge's book.

Memoirs of a Revolutionary - The Charnel-House *Memoirs of a Revolutionary* (New York Review Books Classics) A special class of literature that has arisen out of the European of this experience he crafted a series of extraordinary memoirs and novels.
