

Ayanda and Travis plan to start their new life in secret, but there is more to this. Travis hasn't just located them to an unknown place, he's located them next to a family he wants to watch. There is more going on than Ayanda knows, and there is a lot more for her to do. Ma'am has become dangerous than ever, and seems to be slowly losing the control of her organisation. It seems that the two parties will meet at some point, but it's not for the reason you think. Ma'am is looking for a very important man to this whole puzzle. If she can get to him first the better. But it seems that Master has already started looking for him too. He's the key to the end or the beginning of the worst that could happen. It all depends upon who finds him first!
