

Collected here in this omnibus edition are Martin Luthers most important works including The Large Catechism, the Ninety-Five Theses, and seven selected sermons. Perfect for someone wishing to start reading Martin Luthers teachings. The Large Catechism of Martin Luther was written to aid the spiritual leaders of the Lutheran Church. Martin Luther wanted to remind his followers that they should live a godly life instead of a worldly life. Surprisingly, though, nowhere in this book does Luther suggest that anyone should leave their worldly life behind in order to pursue their godly life. Blunt and straightforward, this book remains an inspiration. Martin Luthers Ninety-Five Theses forever changed the world. This is one of Christianitys most important documents. It was not, as most people assume, Luthers explanation as to why he was separating from the Catholic Church, but it was a shot across the bow of a corrupt system that eventually lead to the Reformation. Also included in this edition are seven of Luthers most important sermons including Christs Holy Sufferings, Enemies of the Cross of Christ & the Christians Citizenship in Heaven, Christ Our Great High Priest, On Faith & Coming to Christ, Of The Office of Preaching, The Twofold Use of the Law & Gospel: Letter & Spirit, and The Parable of the Sower.
