

Both deliciously funny and deeply insightful, THE PERFECT GENTLEMAN is a beguiling multi-layered memoir that has touched the hearts of readers all over the world. At the age of one, Imran Ahmad moved from Pakistan to London, growing up torn between his Islamic identity and his desire to embrace the West. Join Imran in his lifelong struggle against corruption and injustice, and as he grapples with some of Life's most profound questions. What does God do exactly? Do you automatically go to Hell for following the wrong religion? How do you persuade a beautiful woman to become your girlfriend (and would driving a Jaguar XJS help?) Can you maintain a James Bond persona without the vodka, cigarettes and women - even whilst your parents are trying to arrange your marriage? Imran's unimagined journey makes thoughtful, compelling, and downright delightful reading. With a unique style and unflinching honesty, THE PERFECT GENTLEMAN addresses serious issues in an extraordinarily light way, and will leave readers both thinking deeply and laughing out loud.
