

A salacious, unapologetic and sometimes shocking account of a woman's mad dash for sexual escapades after her divorce, with a preference for younger men way before it became fashionable. These interludes include 3-somes, 2 guys in the same day, new encounters the very next day and lots of drugs. Not all good experiences, there is documented rape and instances where she is lucky to be alive. Overall a fascinating diary.

The Antichrist, Windows: A Prayer Journal, Operation Dark Heart: Spycraft and Special Operations on the Front Lines of Afghanistan, The ears of Lord Chesterfield and Parson Goodman.
